

MCN

The American Journal of Maternal/Child Nursing

BY SUBJECT

A

Abortion. See Fetal Death

Abuse. See Child Abuse; Domestic Violence

Adolescents

An integrated approach to prenatal smoking cessation interventions (Todd, LaSala, Neil-Urban), 185

The impact of early pregnancy loss on adolescents (Wheeler, Austin), 154

Pregnant adolescents and their mothers: a shared experience of teen mothering (Paskiewicz), 33

Sexuality and cystic fibrosis (Bolyard), 39

Should there be laws mandating seatbelts in all school buses? (Simpson, Albers, Garzon), 8

Somebody's grandma and grandpa: children's responses to contacts with elders (Ivey), 23

B

Behavior Management

Functional analysis of problem behavior in mentally retarded children (Bosch, Ringdahl), 307

Bereavement. See Grief

Breast Cancer

Does breastfeeding reduce risk for breast cancer? (Sakai), 42

Breastfeeding

Does breastfeeding reduce risk for breast cancer? (Sakai), 42

Infant feeding practices of low-income rural mothers (Barton), 93

C

Case Management

Advanced practice nurses as faculty: teaching care of chronically ill children at home (Tholcken, Lehna), 323

Catheterization

Minimizing risks associated with peripherally inserted central catheters in the NICU (Camara), 17

Child Abuse

Psychological risk factors in pregnant inmates (Fogel, Belyea), 10

Childbirth

Fundal pressure during the second stage of labor (Simpson, Knox), 64

Giving birth: perceptions of Finnish childbearing women (Callister, Vehvilainen-Julkunen, Launi), 29

Measuring nursing support during childbirth (Gale, Fothergill-Bourbaonnais, Chamberlain), 264

Children. See also Adolescents; Infants; Pediatric Nursing

Associations between adult and child bicycle helmet use (Twomey, Bevis, McGibbon), 272

Creating patient-focused, family-centered, maternal-child and pediatric healthcare (Capitulo, Silverberg), 298

Developing a Synagus clinic for respiratory syncytial virus prophylaxis (Coffman, Peck, Rasmussen), 246

Functional analysis of problem behavior in mentally retarded children (Bosch, Ringdahl), 307

Impact of genetic potential and prematurity on growth outcomes (Lindeke, Shell, Mills, Georgieff, Wrbsky), 178

Intimate partner violence: mothers' perspectives of effects on their children (Lemmey, McFarlane, Willson, Malecha), 98

Should there be laws mandating seatbelts in all school buses? (Simpson, Albers, Garzon), 8

Somebody's grandma and grandpa: children's responses to contacts with elders (Ivey), 23

Taking the "ouch" out of injections for children (Sparks), 72

Teaching mothers about childhood immunizations (Evers), 253

Unique aspects of nursing care for Amish children (Banks, Benchot), 192

Chronic Illness

Advanced practice nurses as faculty: teaching care of chronically ill children at home (Tholcken, Lehna), 323

Developing a Synagus clinic for respiratory syncytial virus prophylaxis (Coffman, Peck, Rasmussen), 246

Sexuality and cystic fibrosis (Bolyard), 39

Circumcision

Neonatal circumcision: benefits, risks, and family teaching (Kaufman, Clark, Castro), 197

Community-Based Nursing

Advanced practice nurses as faculty: teaching care of chronically ill children at home (Tholcken, Lehna), 323

Continuing Education

An integrated approach to prenatal smoking cessation interventions, 191

Making evidence-based practice a reality in your institution, 245

Perinatal bereavement, 160

Co-sleeping

Project Moses (Tighe), 217

Cultural Issues.

See Transcultural Nursing

Cystic Fibrosis

Sexuality and cystic fibrosis (Bolyard), 39

D

Delivery. See Childbirth; Obstetrical Nursing

Depression. See also Postpartum Depression

Maternal sensitivity, posttraumatic stress, and acculturation in Vietnamese and Hmong mothers (Foss), 257

Development. See Growth and Development

Disabilities

Advanced practice nurses as faculty: teaching care of chronically ill children at home (Tholcken, Lehna), 323

Functional analysis of problem behavior in mentally retarded children (Bosch, Ringdahl), 307

Domestic Violence

Intimate partner violence: mothers' perspectives of effects on their children (Lammy, McFarlane, Willson, Malecha), 98

Psychological risk factors in pregnant inmates (Fogel, Belyea), 10

Drug Abuse. See Substance Abuse

E

Editorials

A call to partnership (McCartney), 231

And then there were two (Freda), 7

If given the choice (Freda), 61

On Tragedy (Freda), 293

The more things change (Freda), 61

Who are we? (Freda), 175

Education. See Continuing Education; Patient/Family Education

Elderly

Somebody's grandma and grandpa: children's responses to contacts with elders (Ivey), 23

Evidence-Based Practice

Attachment theory and violence toward women by male intimate partners (Callister), 168

The company they keep: the influence of peer relationships on adjustment to cystic fibrosis during adolescence (Lipman), 166

Developmental problems and interactions between mothers and prematurely born children (Bakewell-Sachs), 110

Discussing death in the classroom: beliefs and experiences of educators and education students (Hayman), 222

Dog bites in children treated in a pediatric emergency room (Lipman), 55

Do pediatricians recognize mothers with depressive symptoms? (Tiedje), 224

The effectiveness of an abuse assessment protocol in public health prenatal clinics (Tiedje), 108

Effectiveness of parent education intervention for at-risk families (Bakewell-Sachs), 284

The effect of integrating substance abuse treatment with prenatal care on birth outcomes (Tiedje), 342

Effects of home visits to vulnerable young families (Lipman), 167

Effects of sleep position on apnea and bradycardia in high-risk infants (Bakewell-Sachs), 285

Enduring effects of nurse home visitation on maternal life course (Tiedje), 54

Factors influencing the immunization status of children in a rural setting (Lipman), 56

Father's coping style, antenatal preparation and experiences of labor and the postpartum (Tiedje), 108

Fluctuations in established pain behaviors (Bakewell-Sachs), 110

Health-compromising behavior and diabetes mismanagement among adolescents and young adults with diabetes (Lipman), 342

Health status of young offenders and their families (Lipman), 56

Hospitalized children with chronic illness: parental caregiving needs and valuing parental expertise (Tiedje), 342

Impact of folic acid fortification of the U.S. food supply on the occurrence of neural tube defects (Tiedje), 342

The impact of two transfer techniques used during skin-to-skin care on the physiologic and behavioral responses of preterm infants (Bakewell-Sachs), 109

Implementing change: becoming baby-friendly in an inner city hospital (Callister), 285

Income inequality and health: expanding the debate (Tiedje), 109

Knowledge, action, and resistance: the selective use of prenatal screening among Bedouin women of Negev, Israel (Callister), 286

Long-term safety and efficacy of a cholesterol-lowering diet in children with elevated low-density lipoprotein cholesterol (Hayman), 222

Low-income mothers' views on breastfeeding (Tiedje), 55

Making evidence-based practice a reality in your institution (Gennaro, Hodnett, Kearney), 236

Mammography-related anxiety: effect of preprocedural patient education (Callister), 286

Neonatal thermal care, Part III: The effect of infant position and temperature probe placement (Bakewell-Sachs), 284

Partner support and pregnancy wantedness (Tiedje), 54

Pituitary-adrenal and autonomic responses to stress in women after sexual and physical abuse in childhood (Lipman), 342

Promotion of breastfeeding intervention trial (PROBIT): a randomized trial in the Republic of Belarus (Tiedje), 224

Risk factors for cardiovascular disease in children with Type I diabetes (Hayman), 222

School-based support for urban mothers (Lipman), 166

Taking avoidable danger out of pregnancy (Tiedje), 223

Transformation of tragedy among women surviving breast cancer (Callister), 168

Well-being of parents of young children with asthma (Callister), 167

Youth access to tobacco use in two communities (Lipman), 342

F

Failure to Thrive

Behavioral characteristics of infants with nonorganic failure to thrive during a play interaction (Steward), 79

Family-Centered Care

Creating patient-focused, family-centered, maternal-child and pediatric healthcare (Capitulo, Silverberg), 298

Family Relations

Intimate partner violence: mothers' perspectives of effects on their children (Lemmy, McFarlane, Willson, Malecha), 98

One nurse's notes: reflections on the interactive newborn bath demonstration (Amy), 320

Pregnant adolescents and their mothers: a shared experience of teen mothering (Paskiewicz), 33

Father. See Parent-Child Relations

Feeding. See Breastfeeding; Nutrition

Fetal Death

Evaluating a support group for perinatal loss (DiMarco, Menke, McNamara), 135

Exploring fathers' experiences of pregnancy after a prior perinatal loss (Armstrong), 147

"The one thing you can never take away" (Alexander), 123

Woman's emotions and concerns during pregnancy following perinatal loss (Côte-Arsenault, Bidlack, Humm), 128

Fundal Pressure

Fundal pressure during the second stage of labor (Simpson, Knox), 64

G

Grief. See also Perinatal Loss

Evaluating a support group for perinatal loss (DiMarco, Menke, McNamara), 135

"The one thing you can never take away" (Alexander), 123

Growth and Development

Growth of immigrant Chinese infants in the first year of life (Wu, Daniel), 202

Impact of genetic potential and prematurity on growth outcomes (Lindeke, Shell, Mills, Georgieff, Wrbsky), 178

H

Health Promotion

Associations between adult and child bicycle helmet use (Twomey, Bevis, McGibbon), 272

Compliance with Group B streptococcal disease prevention guidelines (Chandran, Navaie-Waliser, Zulqarni, Batra, Bayir, Shah, Lincoln), 313

Teaching mothers about childhood immunizations (Evers), 253

Home Care

Advanced practice nurses as faculty: teaching care of chronically ill children at home (Tholcken, Lehna), 323

I

Immunizations

Teaching mothers about childhood immunizations (Evers), 253

Infants

Behavioral characteristics of infants with nonorganic failure to thrive during a play interaction (Steward), 79

Compliance with Group B streptococcal disease prevention guidelines (Chandran, Navaie-Waliser, Zulqarni, Batra, Bayir, Shah, Lincoln), 313

Infant feeding practices of low-income rural mothers (Barton), 93

Infants, Death of

End of life in the NICU (Abe, Catlin, Mihara), 141

Evaluating a support group for perinatal loss (DiMarco, Menke, McNamara), 135

Exploring fathers' experiences of pregnancy after a prior perinatal loss (Armstrong), 147

The impact of early pregnancy loss on adolescents (Wheeler, Austin), 154

Project Moses (Tighe), 217

"The one thing you can never take away" (Alexander), 123

Infants, Newborn

End of life in the NICU (Abe, Catlin, Mihara), 141

Minimizing risks associated with peripherally inserted central catheters in the NICU (Camara), 17

Neonatal circumcision: benefits, risks, and family teaching (Kaufman, Clark, Castro), 197

One nurse's notes: reflections on the interactive newborn bath demonstration (Amy), 320

Project Moses (Tighe), 217

Infants, Premature

Developing a Synagus clinic for respiratory syncytial virus prophylaxis (Coffman, Peck, Rasmussen), 246

Impact of genetic potential and prematurity on growth outcomes (Lindeke, Shell, Mills, Georgieff, Wrbsky), 178

Kangaroo (skin-to-skin) care with a postpartum woman who felt depressed (Dombrowski, Anderson, Santori, Burkhammer), 214

Intergenerational Relations

Somebody's grandma and grandpa: children's responses to contacts with elders (Ivey), 23

Internet. See Networking

K

Kangaroo Care

Kangaroo (skin-to-skin) care with a postpartum woman who felt depressed (Dombrowski, Anderson, Santori, Burkhammer), 214

L

Labor. See Childbirth

Legal Issues

Durable power of attorney for health care and living wills: what nurses need to know (Cady), 107

Employment contracts: know your rights (Cady), 281, 331

Legal issues surrounding the use of unlicensed assistive personnel (Cady), 49

Our patients are guaranteed privacy, by law (Cady), 163

Letters, 51, 165, 221

M

Maternity Care. See also Obstetrical Care; Pregnancy

Creating patient-focused, family-centered, maternal-child and pediatric healthcare (Capitulo, Silverberg), 298

Mechanical Ventilation

End of life in the NICU: a study of ventilator withdrawal (Abe, Catlin, Mihara), 141

Mental Retardation. See also Disabilities
Functional analysis of problem behavior in mentally retarded children (Bosch, Ringdahl), 307

Miscarriage. See Perinatal loss

Mother-Child Relations

Behavioral characteristics of infants with nonorganic failure to thrive during a play interaction (Steward), 79

Intimate partner violence: mothers' perspectives of effects on their children (Lemmey, McFarlane, Willson, Maiecha), 98

Maternal sensitivity, posttraumatic stress, and acculturation in Vietnamese and Hmong mothers (Foss), 257

One nurse's notes: reflections on the interactive newborn bath demonstration (Amy), 320

Pregnant adolescents and their mothers: a shared experience of teen mothering (Paskiewicz), 33

Psychological risk factors in pregnant inmates (Fogel, Belyea), 10

N

Neonatal Intensive Care Unit

End of life in the NICU: a study of ventilator withdrawal (Abe, Catlin, Mihara), 141

Minimizing risks associated with peripherally inserted central catheters in the NICU (Camara), 17

Neonatal Nursing. See also Infants, Newborn

Minimizing risks associated with peripherally inserted central catheters in the NICU (Camara), 17

Neonatal circumcision: benefits, risks, and family teaching (Kaufman, Clark, Castro), 197

One nurse's notes: reflections on the interactive newborn bath demonstration (Amy), 320

Project Moses (Tighe), 217

Neonate. See Infant, neonate

Networking

Evaluation Web information and a midwifery resource (McCartney), 162
